Summer 2018

**TO:** Softball Team Managers

**FR:** National Softball Federation

**RE:** 2018 NSF Men's & Women's North American Championships

**Dear Team Manager:**

We hope this note finds you enjoying the summer softball season.

We enjoyed hosting many teams in national tournament play last year and look forward to hosting you again this summer in the NSF North American Championships on August 24-26 in Cambridge, Minnesota.

All men's teams and women's from Minnesota or from out of state may enter direct. Teams will receive at least three games with many receiving four, five, six or more. Teams will be broken into tiers from pool or bracket play. Note: some classes may initially be combined and then re-split for championship flight play. **The National Tournament entry fee is just \$250, which is about half the cost of other national events.**

Teams must play as an intact team during the summer of 2018 but need not play in an NSF - MSF member league. Other organizations' teams will be accepted in the correct class. **Teams that participate in NSF - MSF state tournament play will receive a \$25 discount on their national tournament entry fee redeemable in concessions stand items (not memorabilia).** Some teams that qualify through state tournament play or a qualifier may receive a fully or partially paid berth.

This year, in an effort to increase the tournament's geographical reach, teams from Minnesota will receive a \$75 referral rebate on their own entry fee for recruiting a team from outside the state of Minnesota to participate. Rebates will be received upon tournament participation.

Cambridge, Minnesota is located just one hour north of the Twin Cities with easy freeway access. Sandquist Family Park has some of the finest fields in the state and the area has many of the amenities of a big city while maintaining its small town friendly atmosphere.

The host hotel for the event is Crossings by Grandstay. Make reservations at least three weeks before the tournament please!

Should questions arise please email [dan@msfl.org](mailto:dan@msfl.org) or [perry@msfl.org](mailto:perry@msfl.org).

We look forward to hosting your team again this year!
